ABOUT THE EVENT

25 NOVEMBER

TUESDAY

9 - 1

AM PM

We are pleased to invite you to the **“Mixed Technologies revolutionising Professional Training” Conference**, an event dedicated to exploring modern technologies and innovative approaches to training.

The event will mark the conclusion of the European project “Training Registry of the Modern Business Services Sector,” which focused on developing a registry of international training programs for the modern business services sector (BSS). The project promotes cutting-edge VR/AR (Virtual and Augmented Reality) training methods and supports access to micro-qualifications and micro-credentials.

Following the main sessions, participants are invited to join a panel discussion with our distinguished guests.

We look forward to welcoming you to this conference event.

Participation is free of charge!
