

BEHEALTH

About the Project

The new era, Health Quality 5.0, for which we are preparing health personnel, must enable and be embedded in an integrated, coordinated and people-centred health system supported by a learning health system and new Quality Assurance approaches focused on health service education.

Objective

BEHEALTH project aims to improve the quality of nursing education in Europe by enhancing quality assurance practice in VET and WBL.

ERASMUS+

2024-1-SK01-KA220-VET-000253130

Co-funded by
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

BEHEALTH

PROMOTING QUALITY
ASSURANCE IN NURSING
EDUCATION

*"Excellence in Nursing, Every
Step of the Way"*
